

## Directions:

- Enter the 24 words you want on the game cards below. As you type, your words will auto-populate on the game cards. There are 48 cards because each card has a match.
- To make the editable parts of this file work, you MUST first download this file to your computer desktop. Then, open your Adobe Acrobat reader. Next, click on File > Open. Browse to your desktop where the file is saved, click Open. Your file will now work properly.
